

BAYER IS HERE TO SUPPORT YOU AS YOU TAKE THE NEXT STEP WITH NUBEQA

Dick is a real patient prescribed NUBEQA and enrolled in Access Services by Bayer.

Access Services — by Bayer™

If you and your doctor have decided that NUBEQA® is right for you, Access Services by Bayer™ is here to help.

Access Services by Bayer is a free support program for people prescribed NUBEQA.

Your Access Services by Bayer Case Manager can*:

- ✓ Help you receive a free 1-month supply of NUBEQA so you can start right away (new patients only)
- ✓ Sign you up for the NUBEQA nurse program, if you are eligible
- ✓ Provide you with financial support options to help pay for NUBEQA, if you are eligible
- ✓ Help you understand your insurance coverage, including the Medicare Prescription Payment Plan—an optional program to help manage your out-of-pocket drug costs by spreading them out over the year
- ✓ Help navigating prior authorization, which your doctor will complete if your insurance requires it

1 Your doctor prescribes NUBEQA

Sign up for Access Services by Bayer in your doctor's office

Ask your doctor about a free 1-month supply (new patients only) and a NUBEQA Patient Starter Kit

Your doctor sends the signed Enrollment Form to Access Services By Bayer and the prescription for NUBEQA to your specialty pharmacy

Your Access Services by Bayer case manager will mail you the summary of benefits

2 Access Services by Bayer helps with insurance paperwork

Your doctor works with your insurance. If your insurance denies coverage, your doctor may need to appeal the denial

Your case manager can help, but your doctor's office must complete all paperwork

3 NUBEQA comes from a specialty pharmacy

NUBEQA is sent to you from a specialty pharmacy or the pharmacy at your doctor's office. Expect a call to set up delivery for NUBEQA. Save this number in your phone contacts

If you received a free 1-month supply of NUBEQA, the following month's supply will come to you from your specialty pharmacy. If your doctor's office has a pharmacy, you may receive NUBEQA there
